

### Primary Presentation Objective

- Help men understand the significance of this “age of Mary” by teaching them about several approved apparitions of Our Lady.

### Secondary Presentation Objectives

- Receptivity to what God is doing and how God is speaking to us in our own day.
- Increase our prayer and fasting in reparation for the sins of the world.

### Essential Small Group Goals

- Discuss the gravity of these messages from Heaven and discern what they mean for us practically today.
- Consider the simplicity of what God is asking from us. With a recognition of the grave problems our world and Church are facing, God simply wants us to turn away from sin and enter into ever-deeper prayer.

### Questions from Video Presentation

- What is the overall Marian message to the modern world?
- How can we, as men, incorporate Our Lady's crucial message into our personal and family lives?

### Supplemental Questions

- What struck you most from the presentation and the apparitions?
- Have you ever taken a pilgrimage to any of these famous apparition sites? If so, describe this experience and how it impacted your spiritual life.
