

Primary Presentation Objective

- Give men the two primary weapons to save us in such a grave hour. Help men build a devotional life and a spirituality around The Eucharist and the Rosary.

Secondary Presentation Objectives

- Inspire the men not only to use these two weapons, but as Don Bosco said, “teach others to use them everywhere.”
- Pray the Amici di Giuseppe Rosary together as a group. It’s a good thing to talk about the power of prayer. It’s even better to pray, especially as a group of men! Help men experience the power and be inspired.

Essential Small Group Goals

- Pray the “new” Rosary together as a large group. Help men put into practice the methods of praying the Rosary encouraged by St. John Paul II.
- Print the “Amici di Giuseppe” Rosary guide for each of your men.
- Have 5 different leaders to lead each of the 5 decades of the Rosary.
- Build a desire for men to begin praying a daily Rosary in their personal prayer life.

Questions from Video Presentation
