

### Primary Presentation Objective

- It's always profoundly fruitful to spend a little time with St. Joseph! He's hidden, he's silent, but he is a force for good for your spiritual life. As men of God, let's aspire to get to know him more!

### Secondary Presentation Objectives

- Ready for some more typology? Dr. Hahn will compare the biblical account of Joseph from the Old Testament to Joseph from the New Testament.
- The Holy Family represents to us on earth a human icon of the Blessed Trinity.

### Essential Small Group Goals

- Make it personal and practical by having an honest and open discussion about fatherhood. The world needs more men like St. Joseph.
- Discuss the simplicity of the call and vocation. It's not an easy call, but it's simple to understand. God desires us first and foremost to be good husbands and good fathers.

### Questions From Video Presentation

- As a disciple, what practical steps can you take to get closer to St. Joseph? What do you think God wants to use Joseph for in your life as a child of God, son, and a father?
- As an apostle, what practical steps can you take to draw others closer to St. Joseph?

### Supplemental Questions

- What struck you in today's presentation?
- What did you think about the typology between Joseph of the Old Testament and Joseph of the New Testament?
- How can your family be guided by the Holy Family?
