

### Primary Presentation Objective

- No matter how far we've fallen individually or as a society at large, the merciful heart of the Father continues to pursue us with his unfailing love. Our pathway is clear: Collapse or Covert.

### Secondary Presentation Objectives

- We have been attempting to read the signs of the times. Pope St. John Paul II has been our guide. He has: 1) Identified "Masters of Suspicion." 2) Warned about an "ideology of evil" in the West. 3) Identified the path of Divine Mercy for modern man.
- Examine the modern "shocks" to the system. See their similarities and differences to help us understand the direction we are heading and recognize our great need for the mercy of God.

### Essential Small Group Goals

- Get practical - what can we do to become more spiritually fruitful? What things do we need to prune in our lives in order to bear more fruit?
- Have an honest discussion about what needs to be pruned and if you are willing to allow God access.

### Questions From Video Presentation

- Which of the practical steps have you already implemented as a result of the *That Man is You!* program? Which ones are you going to implement? When and how?
- How can you become more familiar with Pope St. John Paul II's vision for the future and the place of Divine Mercy in that vision?

### Supplemental Questions

- What struck you in today's presentation?
- How often do you personally get to the Sacrament of Confession? How can you lead your family and others to this great ocean of mercy?
- How can you scale back your media consumption and redirect some time to God?
