

### Primary Presentation Objective

- The angels have more spiritual significance than most of us ever imagined and Sacred Scripture is filled with countless stories of their intercession and protection. Tap into the grace!

### Secondary Presentation Objectives

- Learn about each of the 9 Choirs of Angels: Seraphim, Cherubim, Thrones, Dominions, Virtues, Powers, Principalities, Archangels, and Guardian Angels. There are literally billions of angels on our side! More angels than human persons! We have the massive qualitative and quantitative victory over the power of evil... we just have to claim it!
- After a few difficult sessions, today focus on the grace on our side!

### Essential Small Group Goals

- Have an upbeat, hopeful, and inspirational conversation about the victory that is assured in Christ and the Church.
- Discuss the aspects of the angels that you learned about today that you were previously unaware of.

### Questions From Video Presentation

- What is an angel and why is it important to acknowledge them as active members in the body of Christ?
- How can I grow in my relationship with my Guardian Angel?

### Supplemental Questions

- What struck you in today's presentation about the angels?
- How often do you share the joy of the gospel and help people enter into the supernatural grace that Christ and the Church have to offer?
