# FACILITATOR GUIDE

## Session 25: A New Day, A New Man

### Primary Presentation Objective

- Responding to the urgent call of the gospel,"put off the old nature" and "put on the new nature". Cast off. Put on. This is the call of the Christian.

### Secondary Presentation Objectives

- We have to confront our idols. It isn't enough to talk about them in small groups. We have to make war against them. It is an act of unreserved aggression against the very things that are destroying us.
- The New Creation is something that starts now. It began in you whenever you received the word of faith that Jesus is Lord and placed all your hope in Him through baptism. In baptism, your old self was crucified with Christ. It's dead, provided you walk in this radical newness of life.
- The New Creation is now. It is "already, but not yet". It is a seed that you are meant to germinate. First, in your own heart. Then, through the Body of Christ in the world. Finally, at the end of time when God will be all in all.

### Essential Small Group Goals

- Have an honest discussion about the war of the Christian life, the war over sin.
- Have a discussion about how Christ has already begun the process of making you new and how he has already begun to transform your heart and mind.

### Questions From Video Presentation

- What attitudes or principles do you identify as being Christ's?
- How are you choosing to grow in holiness?

### Supplemental Questions

- What struck you in today's presentation?
- What are some things you need to "cast off"? What are some things you need to "put on"?
- How has this year of TMIY: All Things New been transformative your spiritual life?
