

### Primary Presentation Objective

- Walk through line by line another prophecy from Fr. Michael Scanlan. Try to understand the biblical depth behind it and listen attentively so that it transforms our lives and the lives of others.

### Secondary Presentation Objectives

- Help the men be prepared for times of purification. Help them understand that it is out of the depths of God's love that He purifies.
- Help men know that God is in control. Anything and everything that happens is either willed by God or at least permitted by God.

### Essential Small Group Goals

- Help men have an honest discussion about purification. Help them discern which kingdom their heart desires - the kingdom of the world or the Kingdom of God.
- Help men understand that there is indeed a battle that is currently raging for souls.
