

## Session 26: A Royal People

---

### Primary Presentation Objective

- You have been anointed and are part of the Kingdom that God has ushered in. You have been anointed as priest, prophet and king. We need to live like that! We've been baptized into a new way of living!

### Secondary Presentation Objectives

- Help men understand each of their roles. Priest - to sanctify. Prophet - to teach. King - to govern and lead.
- You are royalty. Walk around with a certain confidence that even if everything in this world goes crazy, that your Kingdom is not of this world!

### Essential Small Group Goals

- Be who you are! Claim this! Own this! Live this!
- Help the men to consider what spiritual aspirations they will have over the summer months. How can they keep each other strong in the faith and not become "idle"?

### Questions From Video Presentation

- What concretely can you do to exercise your kingship and priesthood in your family?
- What does it mean for you to be a royal people, holy, set aside for the Lord? How does this impact your work and family life?

### Supplemental Questions

- In what ways did the Holy Spirit move in your heart during this last presentation or this year of TMIY?
- How are you doing on your plan of life?
- What are your spiritual plans this summer before we meet again in the fall? In what ways should our group stay in touch and hold each other accountable?
